

Harvie

12 Freehold Detached Homes in an
Established Neighbourhood

Welcome

Where modern living meets traditional values.

Get ready to discover our newest development on Harvie Road in Barrie!

This development features a perfect blend of living options to suit every lifestyle: 12 elegant Fully Freehold detached two-storey homes on a municipal street (Beacon Road), 67 stylish freehold townhomes on a private vacant land condominium road, and 52 modern apartment condo units complete with underground parking. Located in South Barrie, this community offers unparalleled convenience, with close proximity to all the amenities you need, including quick access to Highway 400 for an easy commute. Shopping, schools, and public transportation are just moments away, making this the ideal location for families and professionals alike.

Community

Experience the Best of Barrie:
A Vibrant Community Awaits

This exclusive collection of 12 homes is perfectly situated in a sought-after, family-friendly neighbourhood with direct access to Highway 400 and the new Bryne Drive Bypass, ensuring seamless travel to Barrie's vibrant south-end shopping district and Park Place Shopping Centre.

Families will love the walkable streets, proximity to Trillium Woods Elementary School, and nearby plaza with Starbucks and Shoppers Drug Mart. The Holly Community Centre, featuring hockey rinks, pools, and gymnasiums, is just minutes away.

Enjoy the best of community living—established, convenient, and connected.

1408 Sq. Ft. | 3 Bedroom + 2.5 Bath | Single Car Garage | LOTS #1, #2, #3, #12

MAIN

UPPER

BASEMENT

The floor plan shown above represents a typical layout for this home style. Variations in window placement, materials, dimensions, and square footage may occur. Floor plans and elevations are pre-construction and subject to change or revision based on architectural controls and the construction process. The measurements adhere to the official method for calculating floor area. Utility rooms are unfinished. Basements are completely unfinished, with a 2- or 3-piece rough-in bathroom (depending on the model). Actual usable floor space may differ from the stated floor area. Exterior colours may not be as shown in the artist's rendering. Please consult the sales representative for the pre-selected colour package for each home. Elevations are artist's renderings and may differ. Step configurations may vary based on site grade. The man door to the garage will be provided only if grade permits (maximum 1 step). Please see a sales representative for further details. E. & O.E.

Standard Features

Although, there is nothing “standard” about these homes!

Appealing Features

1. 5/8” tongue and groove subfloor glued, nailed and screwed.
2. Rigid 2” x 6” exterior framed walls.
3. Precast concrete steps where applicable.
4. Home insulated to the current Ontario Building codes specifications including foam insulation to garage ceiling where finished areas are above.
5. Prominent usage of architecturally selected exterior finishes.
6. Quality vinyl thermo pane casement windows throughout featuring low “e” argon gas filled panes. Vinyl thermo pane sliding patio door.
7. The finishing touches of a fully sodded lot, as per site plan.
8. Driveway paved Asphalt.
9. Concrete finished garage floors, with drainage slope.
10. Concrete finished front entry porch.
11. Steel sectional roll-up garage door(s) with inserts.
12. Maintenance free aluminum soffit. Fascia eavestroughs and, downspouts, colours architecturally-controlled by architect.
13. Insulated main entry door with window, grip set and deadbolt.
14. 9’ ceiling height on main floor and 8’ ceiling height on upper floor.
15. Complete customer service program as per Tarion Guidelines.

Design Interior Features

16. Quartz kitchen counter top from vendor’s selection with under-mount sink with single lever faucet and a provisional rough-in for future dishwasher.
17. Garage man door entrance from the garage will be provided only if grade permits. (maximum 1 step)
18. Upgraded 40” high upper cabinets in kitchen, as per plan.
19. Standard fridge size allowed is 36” x 72”. (appliances not included)
20. Black lever handles.
21. All interior trim and doors are painted white.
22. Ceramic wall tiles installed around all tub to ceiling height from builders selection.
23. Modern smooth ceilings throughout entire home. (except for unfinished basement)
24. Stained finished Oak staircase from main floor to second floor only. (see note below)
25. All interior walls to be primed and painted throughout with builder white.
26. All purchasers’ selections can be made from our variety of quality standards. A wide variety of upgrades and options are available, specifications terms and conditions are subject to change without notice. Builder has the right to substitute materials and fixtures of equal or better value.

Recognizing the challenges of matching stain across different wood species, we do not attempt to match the staircase stain to the vinyl flooring. Instead, the stain will be professionally selected from a range of standard pre-mixed colours to complement or coordinate with the flooring.

45. Quality single lever taps throughout, with pop up drains, all tubs with single lever controls.

ASA Development Inc. has the right to substitute colour, materials, and finishes to equal or greater value.

The Beauty of Barrie

It's no surprise to anyone who lives or works in Barrie that our city has been ranked again and again as one of the best places to live in Canada.

Scenic beauty, great schools, a low crime rate, fantastic shopping and dining, endless recreational activities all year round, and a reasonable cost of living.

Come see for yourself why no one ever wants to leave Barrie!

Your Biggest Investment... Protected

We're not just building a home, we are building confidence.

For over 40 years, Tarion has provided new home warranty protection to more than two million Ontario homes. We are proud to be backed by Tarion Warranty Corp. This ensures you that your new home will meet or surpass the structural requirements and health and safety standards set by the Ontario Building Code.
